REGISTRATION AND NOTIFICATION

Please register your new swimspa within 7 days of delivery. You can register your new spa by signing up to our Jacuzzi® Club at www.jacuzzi.co.uk.

Swimspas must be registered before any authorized service work can be performed.

To obtain service in the event of a defect covered by this Warranty, you should notify your authorised dealer either in writing or by telephone to the number below, as soon as possible upon becoming aware that a fault has arisen. Upon proof of purchase, a designated service representative will correct the defect subject to the terms and conditions contained in this Warranty.

Upon becoming aware of a fault with your swimspa you should take all reasonable steps to ensure that no further damage is caused to it, for example by ceasing to use the lighting system or other component system (as appropriate), or the swimspa itself, until such a time as we or our authorised dealer are able to repair the fault.

There will be no charge for parts or labour to repair a defect with the swimspa. You are required to provide clear and uninterrupted access to the swimspa to enable the defect to be repaired. If we are unable to access the swimspa when attending a repair, we may refuse to carry out the repair until such a time as access is provided; in these circumstances we may charge you for our reasonable travel and any other expenses incurred in attending at your property.

In the event that the swimspa is removed to a repair facility for repair and reinstalled, reasonable cost of removal and reinstallation will be at our expense or that of our authorised dealer.

We reserve the right, at our sole discretion, to either repair or replace any swimspa (or part of it) that is the subject of this Warranty. In the event that we choose to provide a replacement swimspa, it will be at least of an equal value and specification to that which is replaced. In such an event, reasonable costs for removal of the original swimspa, shipping costs from the factory for the replacement swimspa and delivery and installation of the replacement will be our responsibility.

Any replacement part or swimspa will carry the balance of the original swimspa's warranty. Swimspa covers are not included.

WARRANTY LIMITATIONS

The product guarantee is only valid for products used in the United Kingdom and installed in a domestic environment. This Warranty is void where defects occur from:

- General wear and tear, or alteration;
- Repair by a person not authorised by us or our authorised dealer;
- Misuse or negligent use which include any installation, operation or maintenance of the swimspa other than in accordance with the instructions contained in the owner's manual provided with the swimspa, including but not limited to the failure to maintain proper water chemistry and chemical balance and the use of abrasive or improper cleaners or parts which are not Genuine Parts and Accessories;
- Damage arising in transit by a carrier that is not provided by us or our authorised dealer
- Damage arising through freezing
- The commercial use of the products.

Some parts of the swimspa are manufactured from natural materials (or man made materials replicating natural materials) which may change in the ordinary course of their lifespan; this may affect the look and feel of the swimspa. As such these are not regarded as defects, and include (without limitation):

- Products that have yellowed or changed colour in sunlight;
- Products that have failed as a result of the ingress of moisture that are typical as a consequence of use.

This Warranty does not provide cover for insulating covers, or any item attached to or installed on the swimspa by you. You accept liability for repair work performed by anyone other than by us or our representative.
